

2014 AGENDA

	DAY 1 MARCH 24	DAY 2 MARCH 25
	PARAMOUNT	PARAMOUNT STATESIDE
7A	Registration	Breakfast / Networking
8A	Breakfast / Networking	M2M Panel Energy Efficiency / Renewables Panel
9A	Intro/Welcome to ETS	Cybersecurity Panel Disruptive Technology Panel
10A	Keynote - Steve Wozniak	Keynote Session
11A	Utility Executive Panel	Big Data / Analytics Panel Smart Consumer / Home Panel
12:30P	Feature Performer	Feature Speaker
1:30P	Smart Grid Realization Panel	Utility of the Future Panel Grid Edge Opportunities Panel
3P	EV Panel	Smart Cities/Communities Panel Standards, Policies, and Emerging Business Models Panel
4P	Feature Speaker	
4:30P	Game Changers Panel	Closing Session
5:30P	Main Networking Reception	Networking Reception

2014 AGENDA

DAY 1 | PARAMOUNT MARCH 24

9A	Intro / Opening Keynote	Andres Carvallo , Compass Management Group, CEO & Founder	Badar Khan , Direct Energy, President & CEO					
10A	Headliner	Steve Wozniak , Apple Computer, Co-Founder & Fusion-io, Chief Scientist	Colin Pope , Austin Business Journal, Editor*					
11A	Utility Executive Panel	MOD Christine Hertzog , Smart Grid Library, Managing Director	Cheryl Mele , Austin Energy, COO	John Hewa , Pedernales Electric Cooperative, CEO	Wade Smith , AEP Texas, President & COO	Mark Rose , Bluebonnet Electric Cooperative, General Manager and CEO		
1:30P	Smart Grid Realization	MOD Andres Carvallo , Compass Management Group, CEO & Founder	Gary Rackliffe , ABB, VP Smart Grids	Scott Hennebery , Schneider Electric, VP, Strategic Perspective	Lisa Caswell , eMeter, a Siemens Business, President	John D. McDonald , P.E., GE Energy Management - Digital Energy, Director, Technical Strategy & Policy Development	Dr. S. Massoud Amin , University of Minnesota, Professor	Gary High , Landis+Gyr, SVP Sales
3P	EV Panel	MOD Karl Popham , Austin Energy, Emerging Technologies & EV Manager	Jacob Harb , BMW of North America, Head of Electric Vehicle Operations & Strategy	Robert Langford , American Honda Motor Co., Manager, Plug-In Electric Vehicle Sales & Marketing	Paul Pebbles , General Motors, Sr. Manager of Technology Planning and Advanced Development	Ken Laberteaux, PhD , Toyota Research Institute-North America, Sr. Principal Scientist	David Peterson , Nissan, EV Regional Manager, Marketing & Sales Strategy	Joël Pointon , Sempra Energy (SDG&E), Manager of Electric Transportation - Clean Transportation Program
4P	Feature Speaker	Dr. S. Massoud Amin , University of Minnesota, Professor						
4:30P	Game Changers	MOD Stan McClellan , Texas State University, Director, Ingram School of Engineering	Zeina El-Azzi , SunEdison, VP of North American Business Development	Andres Carvallo , Compass Management Group, CEO & Founder	Mark Strama , Google, Google Fiber - Austin	Nisha Desai , NRG Energy, Vice President, NRG Distributed Generation	Christian Okonsky , KLD Energy, CEO	Michael Raiford , Samsung Semiconductor, VP

2014 AGENDA

DAY 2 | PARAMOUNT MARCH 25

8A	M2M / IoT Panel	MOD Stan McClellan , Texas State University, Director, Ingram School of Engineering	John Slanina , CenterPoint Energy, VP of Operations Support & Technology	Brian Huey , Sprint, Business Development & Strategy - M2M Smart Grid, Utilities	Ed Davalos , AT&T, Lead, Product Management - Utility / Smart Grid	Bob Slevin , Verizon Enterprise Solutions, Managing Principal, Global Energy & Utilities Vertical	Michael Dow , P.E., Freescale Semiconductor, Inc., Americas Smart Energy Business Development - Microcontrollers Group
9A	Cybersecurity	MOD Efran Ibrahim , Scitor, Principal Consultant	Brett Luedde , ViaSat, Director of Critical Infrastructure Protection	Scott Emley , Smart Modular Technologies, VP & GM, Integrated Memory Solutions	Steve Winstead , Leidos, Senior Systems Architect	Jeff Nichols , San Diego Gas & Electric, Director of Information Security and Information Management	Phillip Powell , Dominion, DVI Director of Grid Innovations Dr. George Arnold , NIST, Director, Standards Coordination Office
10A	Keynote Session	Jon Wellinghoff , former FERC Chairman and Partner, Stoel Rives LLP	Doyle Beneby , CPS Energy, President & CEO	Larry Weis , Austin Energy, General Manager			
11A	Big Data / Analytics	MOD Alex Varshavsky , Talksum, CEO	Bill Meehan , Esri, Director of Utility Solutions	Jeff Nichols , San Diego Gas & Electric, Director of Information Security and Information Management	Amit Narayan , AutoGrid, CEO	Larsh Johnson , eMeter, a Siemens Business, CTO & Co-Founder	Brewster McCracken , Pecan Street Inc., CEO Steve Collier , Milsoft Utility Solutions, Director of Smart Grid Strategies
12:30P	Feature Speaker	John H. Scott , NASA, Chief, Energy Conversion Branch					
1:30P	Utility of the Future	MOD Karl Popham , Austin Energy, Emerging Technologies & EV Manager	Raiford Smith , Duke Energy, Director, Smart Grid Emerging Technology	Audrey Lee, PhD , California Public Utilities Commission, Energy Advisor to the President	Stephen Callahan , IBM, Partner Executive, Energy & Utilities	Paul Molitor , NEMA, Assistant VP, Smart Grid & Special Projects	Doug Kim , Southern California Edison, Director of Advanced Technology Naimish Patel , Gridco Systems, CEO
3P	Smart Cities	MOD Patty Durand , Smart Grid Consumer Collaborative (SGCC), Executive Director	Martin Travers , Black & Veatch, President, Telecom Division	Jeffrey Norman , Leidos, VP of Emerging Technologies	Becky Harrison , GridWise Alliance, CEO	Stephen Johnson , Itron, VP of Corporate Development	Joël Pointon , Sempra Energy (SDG&E), Manager of Electric Transportation - Clean Transportation Program
4:30P	Closing Session	MOD Andres Carvallo , Compass Management Group, CEO & Founder	Doug Kim , Southern California Edison, Director of Advanced Technology	Karl Popham , Austin Energy, Emerging Technologies & EV Manager	Raiford Smith , Duke Energy, Director, Smart Grid Emerging Technology	Dr. George Arnold , NIST, Director, Standards Coordination Office	Jon Wellinghoff , former FERC Chairman and Partner, Stoel Rives LLP Jamey Seely , NRG Energy, SVP, Alternative Energy

2014 AGENDA

DAY 2 | STATESIDE MARCH 25

8A	Energy Efficiency / Renewables	MOD Andrew Johnston. Austin Energy - Central Texas Fuel Independence Project	Shalini Ramanathan. RES Americas, VP Origination	Charlie Wernette. H-E-B, Director of Energy	Jennifer Cregar. Green Mountain Energy, Environmental Affairs Manager	Jim Martson. Environmental Defense Fund, VP, US Climate and Energy	Mark Straton. GridPoint, SVP of Marketing	Rob Threlkeld. General Motors, Manager of Renewable Energy Initiatives
9A	Disruptive Technology	MOD David Dollihite. Deloitte Consulting LLP, Energy & Resources	Craig Wilkins. ViZn Energy, CEO	Paul Bundschuh. Ideal Power, CEO	Tom Pierson. TAS Energy, CTO & Founder	John King. Austin Chamber of Commerce, Director of Clean Energy & Power Technology	Clark Jernigan. Austin Ventures, Venture Partner	
11A	Smart Consumer / Smart Home	MOD Christine Hertzog. Smart Grid Library, Managing Director	Mei Shibata. ThinkEco, CSO & Co-Founder	Patty Durand. Smart Grid Consumer Collaborative (SGCC), Executive Director	Chris Black. Tendril, COO			
1:30P	Grid Edge Opportunites	MOD David Dollihite. Deloitte Consulting LLP, Energy & Resources*	Jamey Seely. NRG Energy, SVP, Alternative Energy	Paul Westbrook. Texas Instruments, Sustainable Development Manager	Chris Hickman. Innovari, CEO	Andres Carvallo. Compass Management Group, CEO & Founder		
3P	Standards, Policies, and Emerging Bus. Models	MOD Mark Bruce. Stratus Energy, Principal and Founder	Mike Legatt, PhD. Electric Reliability Council of Texas, Inc., Principal Human Factors Engineer	David DuCharme. Capgemini, VP North American Energy Practice	Dr. George Arnold. NIST, Director, Standards Coordination Office	Jose Beceiro. University of Texas at Austin, Associate Director of Research Relations at the Cockrell School of Engineering	Efran Ibrahim. Scitor, Principal Consultant	Clinton Davis. Ventyx, an ABB Company, VP of Distribution Industry Solutions & Smart Grid Strategy
